

Alan WO9G opened the meeting at 7:00 pm

Minutes for March were emailed and posted to Discord.

Station is coming along. Earle can now access it remotely from his home.

Logging software is up and running on the club computer.

CW keys have been donated to the club station.

More antennas will go up for the club station.

Don KD9GYI gave updates on upcoming Field Day in June

Ft. Ouiatenon has been reserved

Everyone is welcome and encouraged to come out and participate, or just visit.

We will need assistance putting antennas up on the Friday night before Field Day, and with removal of them on Sunday afterwards. Need to get information out on Social Media. Need assistance logging for Field Day also.
