

Alan opened the meeting at 7pm

Minutes from August have been emailed and posted to Discord

Treasure Report attached below

Old Business:

After action report from Earle on Wabash River Ride - 600 riders participated

Thank you to everyone who volunteered radio services, riders thanked volunteers repeatedly, 22 operators participated

FOC Club information provided by Earle - club for CW and is by invitation only - Google FOC Amateur for more information

New Business:

Need presenter for October Meeting on any topic

November Meeting - the LPDTC is in use the week of our meeting. Suggestions on where and how to do meeting appreciated

Need officers for next year - current officers are termed out. Amend by-laws? Requires a majority vote to amend to keep current officers, or we need new ones

Nominations in December for officers for January voting - Current President becomes new director

WC9IN nets every other Tuesday night at 7pm on the linked system - please join us

Meeting adjourned 7:14pm

Short video presentation on getting young people involved in ham radio and clubs

A suggestion for November meeting was to go to Purdue W9YB to see their club and station
