Minutes of Meeting January 14, 1969

Minutes were read. It was corrected that Gene Bayman was safety officer for the club rather than for the trailer. An audit was made and the books were in good shape. No treasurer report was made.

Guests were: Luther Cooper, Gregory Cooper, Dick Prass.

We passed about 470 messages at Christmas from the trailer. We made an article in the L.A. Examiner. Many messages were mentioned in a regular article in the paper. Novice class starts on February 3 at the armory. Paul W. Deppert agreed to do the publicity for the code class. Tuesday night will be business third night meeting for program. J. B. Van Sickle chairman, Roger Bartholomew and Gene Dorsey are on the program committee for the year. Our club station is still not on the air. The secretary was asked to write a letter to the radio stations that gave us plugs for the trailer messages. SCT on Saturday and Sunday, January 24 & 25. All members can be used.

W9YB, the CB club and TARA will all be working together SET. Each individual is asked by ARRL to originate at least two messages. One to the word Mets was explained and discussed. Floyd Phillip, WAZY engineer was introduced. He said that we probably use the club for meeting next week. MARS was explained to those that were new to the word. It was moved by John Weikel that the next meeting be devoted to difficulties of handling the traffic of Christmas. It was seconded by J. Ott. It was discussed to read as soon as practicable after the next meeting. Jack Ott moved that we look into a siren tape recorder for the secretary to use to take minutes of the meeting. It was seconded and passed. Meeting adjourned at 8:55 p.m. We thanked the radio station.

Minutes of Meeting March 11 1969 -- Held at City Hall

The meeting started at shortly after 7:32 p.m. The meeting was held in the police classroom on the lower floor in Lafayette City Hall. Ed Guzis was accepted as a member at last meeting. Treasurer reported balance on February 1 of \$220.39. Petty cash \$10. March 1st balance \$239.19. Approximately 26 have paid dues for the novice class. A new account was established with Lafayette Bank & Trust. Same bank, but a new account. There is no charge for the account. A statement every 30 days will be received by the treasurer. They also have a nice place for club meetings at the Bank's West side location.

It was suggested that \$10 be charged next year for the novice classes. The FCC has recently changed the rules and novices may not now hold a tech license. If a ham gets a tech license he cannot then operate as a novice. All trailer committees are responsible to the Vice President. There is some work to be done inside the trailer. Three volunteers for helping inside the trailer in the future. Refreshment fund is holding its own. Auction for Field day will be May 28th at the regular meeting. Ed – W9PJK moved that we have a field day for having fun and that all operators be permitted to operate. Bill Bayley seconded. Carried

Program Committee

New Business: Gene Dorsey suggested a picnic some Wednesday evening of a club meeting. Ed Guzis suggested field day with a picnic. These ideas were referred to the program committee for some future plans. Marvin Kimbil suggested that a door prize be given. Only those attending five meetings in a row would be eligible for prize. A motion was made that a committee be appointed by the president to study the above ideas. It was made by Gus Dorsey and seconded by John Edward. The motion passed. A club paper is in the making. Some suggestions were made. President Ancil asked for comments about helping Boy Scouts at camp with code. Bob Niewerth brought up the ideas of helping a handicapped individual get a license. Jack Ott moved that the secretary write to FCC to see how the handicapped can get a license. It was seconded and carried. Meeting adjourned at 9:05 p.m.

Paul Deppert, Secretary.

Minutes of Meeting of April 8, 1969

Meeting opened by Vice President James Collison. The treasurer reported an amount of \$242.29 in the treasury. Glen Rodgers has turned down the opportunity to be club station trustee. Those suggested as a trustee were: Ed Gusig, Al Lewis, Bob Walgreen, Ed Hoover, Gus Vavrus. Secretary to find out if they are interested in being trustee and report if class if they are interested. ARRL field day has one rule change. The set up time is different. The secretary is to order 100 log sheets for field day. May 24 is the date of the hamfest at Lafayette Square in Indianapolis. They would like to use our trailer at the location. John Wiekel made a motion we accept the formal request to take the trailer to the hamfest (if a request is received). Bill Bayley seconded. Motion carried. Marvin Kimball moved the club buy the MARS crystals for the Swan 500 oscillator. It was seconded and passed. Four crystals will be ordered. It was reported that the antenna was still up at Market Square. It was reported to be on the ground. Motion was made and seconded that we adjourn. Motion was carried. Meeting was adjourned at 8 p.m.

Minutes of Meeting of May 13, 1969

Minutes of previous meeting read and approved. Letter from FCC on handicapped person read. Ed Hoover is the new club trustee. Field day report sheets are in. Jim Collison reports field day work is up to date as of now. Field day is June 28, & 29, 1969. Tim Conner's reported on progress of finishing trailer—will have trailer at Murdock Park 5/17—5/18 for trial run. Pre-registration for hamfest at Indianapolis is \$1 and \$2.00 if paid at gate. Club auction sale will be 5/28/69. Club station needs work to finish and complete it. Future of the club station discussed—real good lengthy discussion. Moved by John Weikel and seconded by Clarence Vaughn that the officers of TARA are authorized to negotiate with the Red Cross or others for a suitable meeting place and club station. Paul Deppert reported 18 or 19 novice have taken theory exams. Moved and seconded to adjourn at 9:07 p.m.

Minutes of Meeting of June 10, 1969

Meeting called to order by president at 7:30 p.m. in the courtroom of city hall. Minutes were read and corrected. It was stated that a motion of the trailer be in operation once a month on the second Saturday of each month. A card was received by the secretary to send in for incorporation of the club. Lew Lindeman will send in card for papers and complete them. The trailer is at Clar-nee trailer sales. We can leave it at the back of this lot for a year or more. He will give no electricity and give us one key. An acquaintance of the president has offered to put up a pole at the trailer site. The cost was estimated at \$50 to put up a pole that might be donated by P.S.I.

Fran Hudlow and Tim Connor were to check with the city on the possibility of a pole at Murdock Park. Hudlow will check on a pole from Charlie Amichels for a pole at the trailer site. June 15 – 19 is a VHFQSO party. Admission was held on working this QSO party. Over \$125 was allotted to spend on field day. The next meeting will be at Murdock Park at 7:30, June 25, 1969. Leonard Sutter made a motion that the club try and see that the wheels are put on the generator. John Wentul seconded and it passed. Darrell Loveless and John Pipis were guests. Meeting adjourned at 8:55 p.m.

Minutes of Meeting July 8, 1969

Meeting called to order at 8:40 p.m. Minutes were read and approved. No treasurer's report since treasurer was not present. \$60 was spent on field day. Park board has not decided if the club can put up a pole at Murdock Park. PSI may have two poles. It was stated that it was about as cheap to operate a generator at the trailer sales than to buy 200 foot of conduit. QSO party was operated by four members. The TR4 is functioning. Gus Vaores checked it and it worked o.k. Field day 20 meters had 6 pages of contacts. 39 contacts on Novice band. One page and a half on 6 meters. It was suggested that each year we go over logging before the field day contest. Logs were a problem. Murdock Park was a good site from many aspects. The Saturday operations of the trailer was postponed until July 19th at 1:00 p.m. Tower will be set up. After much discussion—for which the secretary is very sorry that he didn't bring his tape recorder—open club participation and activities, the meeting was adjourned.

Minutes of Meeting September 9, 1969

Meeting was called to order at the fairgrounds. Work was started on settin up trailer for 4-H fair. Our president explained about handling traffic. He had forms for members to study. AF MARS procedures for originating the messages.

On September 24th a telephone company representative will talk on lazer beams. Meeting will be at conference room at Gas Company at 7:30 p.m. This is Wednesday 7:30 on September 24, 1969

Paul Deppert, Secretary

Minutes of Meeting October 19, 1969

Secretary read minutes of September 8th meeting. Treasurer reported \$293.54 on hand. Old business was called for. Dues were overdue for some people. Names were taken for those willing to give FCC exams. A pole is to be put up at Clarence trailer court. This was reported by Keith Hurisatkia. WN9BTI was here at the meeting as a new member for the first time. It was brought up that Gordan Robins W9)GM had become a silent key.

A motion was made by Keith Hurisatkia that a contest be held for a new sign design for the trailer. It was not seconded, but passed. A year's subscription to QST was the prize. Design was due November meeting.

October 22 is the next meeting. Rostone will be toured at 7:30 through the hot modling department. Enter from 52 at Rostone bear left and go to back parking lot. Enter through employee's door. The November and December meetings are on Thanksgiving and Christmas eve. Meetings are to be on the Tuesday instead. TRCC meeting Sunday, October 19 at Buttler. Clarence Vaugh explained the purpose of the organization. It was determined that we head one, 50% members in ARRL and we can be affiliated with ARRL.

A nominating committee was appointed for nominating officers. Jim Connor, Russ Goddard, Bill Baylor were appointed. Slates due in November. Then nominations will be taken from the floor in November. John Edwards moved that a committee be appointed to look into trading the TR4 in on a Swan 350, 500 or Sigmat. Proposals will be subject to club approval before closing of deal. K. Hursachus seconded and the motion passed. Jim Collison was given the floor to discuss the possibilities of a club station in the new Red Cross building. Meeting adjourned at 9:18 p.m.
