TARA MEETING, ON 3-13-01

Mtg started at 7:30 pm. A quorum was present (8) as listed below. Treasurer's report showed \$168.14 bal. In Jan, and Expenses of 472.43. Feb. income \$171.00 and expenses of \$130. Our assets are now at \$11,223.99. Our total deficit for the past year's business was \$470.82.

Old business: Jack Freeman has a possible offer for our trailer. Discussion favored keeping it for now at least until after FD this summer. ARRL insurance for our major pieces of equipment was discussed, voted on, and passed.

No program is planned for the last meeting of this month. If you come to the meeting you may be the only one there! The FD auction is in May, FD in June, a field trip is proposed and planned for Indpls on July 21. The Sept. program is to be done by the Sheriff's dept., and the Oct. meeting is to be Dave Filmer on the topic of satellite communications.

New business:

Major Sherwin's wife has agreed to serving at the food booth at the Aug. hamfest.

We have a bus going to the Dayton Hamfest. It is going to be driven by Pres. Bruce Stewart, and will park right at the front door. There are a few seats still available if you get your reservation in soon. (call Bruce). It was discussed that we buy a new world wall map for our hamshack at Dayton and bring it home on the bus. Also voted and passed was a new 24 hour clock for the shack wall.

J B Van Sickle's name was drawn at the end-of-meeting drawing but he was not present to claim it.

Meeting attendees:

Major Sherwin, Tim Gardner, Jim Haynes, Jack Freeman, Bob Martin, R. Bruce Stewart, Jeff Stewart, and Curtis Sherwin.

TARA program meeting, Thurs., Feb. 28, 2001

The meeting was brought to order by Pres. Bruce Stewart at 7:35 pm. Guest speaker, Mike Goode from Indpls., came to tell us his experiences on the Clipperton Island Dxpediton last year. They made about 77,000 Qs. It was his second trip to the island. It cost \$75,000 to charter the boat but there were also many other expenses. I'm sure the DX fraternity is grateful for their efforts.

Attendance at the meeting:

Major Sherwin, Bob Martin, John Martin, Dana Hoggatt, Jack Freeman, R. Bruce Stewart, (Pres.), Bob Finch, Chuck Welborn, George Bittles, Gary Reed, Michael Goode (speaker), Steve VanFrank, Steve Belter, Cave Chasey, Brenda Phillips, Curtis Sherwin, Tim Gardner, and Mike Brown.

The Feedline

has reappeared in publication after a rather lengthy absence.

We will note here that if you are in the mood to take your spouse out for supper, The Cass County Amateur Radio Club is having a fundraiser on Monday, March 26.

The place is Samuel Mancino's at 3400 East Market Street, in Logansport's Cass Plaza. I believe that is on old US24 east of downtown.

In exchange for publicity, the restaurant will donate a portion of all profits that evening to the club. Anyone who dines at Mancino's between 5:00PM and 7:00 PM will be helping the club whether they are members or not.

This a an Italian style eatery known mainly for its "grinder" style sandwiches.

Blessed are they who have nothing to say and who cannot be persuaded to say it.

**==>NEW FIELD DAY RULES FOR 2001
DESIGNED TO ENHANCE THE FUN**

Field Day 2001 will run from 1800 UTC June 23 to 2100 UTC June 24--as always, the fourth full weekend in June. Typically a club or group event, Field Day is the most popular operating activity of the year--and one of the most enjoyable for hams of all skill levels. A few rules changes this year affect bonus points for Field Day scores.

* The non-traditional mode bonus has been expanded from 100 to 300 points for doing three separate demonstration modes.

* Packet is back and will be counted as one of the three demonstration modes, but to claim packet credit, you must set up a portable digipeater system. Existing, permanent packet networks do not qualify for this bonus.

* You may earn a 100-point bonus if an invited local government official or representative of one of the agencies that ARES serves in an emergency visits your Field Day site. To earn this bonus, the invited official must actually visit the site, not just be invited.

* The message-handling bonus has been changed. You may now earn 10 points per message, up to 100 points total, for origination, relay, and delivery of formal NTS messages. In the past, only messages received and relayed were counted. The Field Day participation message to the Section Manager or Section Emergency Coordinator under rule 7.3.5 does not also qualify for bonus points under these rules.

This marks the last year that the extra Novice/Tech Plus station will exist in its current form.

The Novice/Tech station is a non-counting transmitter, and its QSOs count for QSO point credit. The ARRL Membership Services Committee is considering several options to encourage participation by newly licensed hams.

The ARRL Contest Branch has compiled a 24-page Field Day 2001 Information packet, <http://www.arrl.org/contests/forms/01fdpack.pdf>. This document is available in hard-copy format by sending an SASE with four units of postage to Field Day Package, ARRL, 225 Main St, Newington, CT 06111.

In addition to the dated Field Day pins that have proven so popular the past few years, the League now offers 2001 Field Day T-shirts. Pins are just \$5, and the T-shirts are \$9.95. For ordering information, visit the ARRL Products Catalog, <http://www.arrl.org/catalog>, or call toll-free 888-277-5289. The Contest Branch no longer handles orders for these items.
