for Lack of a Quorum

Sadly the club has been unable to conduct official business for two months. To convene, we need at least eight of our 60 plus members in attendance but this is becoming an increasingly difficult task. Practically no business meeting in recent years has enjoyed even a 20% membership turnout. How embarrassing. Compounding the quorum problem, two of our officers will not be available for the remainder of this election year. **Alex - KC9CYK**, our Secretary, has an academic conflict and **Greg - N9NWO**, our vice president, will be departing on a military assignment.

The bottom line is that we REALLY need membership participation in the coming months. TARA will be moving into a new location on 18th Street along with The Red Cross and there are many decisions that need to be made about our new

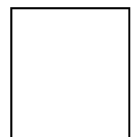

radio room and the antenna challenges we will face there.

Membership participation is also needed for the election of Officers in January. Nominations are due at the December meeting and this is your chance to shape the direction the club will take.

Community support is another area that is ill served by the dearth of membership participation. TARA has a long history of helping the community during emergencies and various local activities. Historically we have served as the point of contact for emergency communication in Tippecanoe County. Indeed, this is the reason for our close ties with and resources provided by the Red Cross. Today there is an increasingly complex web of interconnected emergency agencies from the national level down to our community. This makes it imperative that the local hams be familiar with and organized to fit into this system.

Our next business meeting is Tuesday, November 14th at the Red Cross. Please plan to attend.
